January 10, 2023

Dear Parents and Guardians,

As we begin the enrollment process for the 2023-2024 school year, we are reminded and appreciate the great trust you have placed in St. Lawrence Catholic School by your decision to send your children to our parish school. We are aware that it is a decision that involves sacrifice and commitment for our school families. The faculty, staff, School Advisory Council, Finance Council, Fr. Mike, and I are committed to providing the best Catholic education for all our students. Evidence of this commitment is demonstrated by:

- **Terra Nova scores used to enhance the education process**
- **MAP testing to individualize instruction for each student**
- **21st Century Classrooms**
- **One to one iPad for grades 1-8**
- **8th graders being accepted into their school of choice each year**
- **After school enrichment classes**
- **Curriculum Coordinator to manage and enrich each grade levels curriculum**
- **Three full time resource teachers**
- **Family Discipleship Program**

Enrolling your child/children at St. Lawrence Catholic School indicates your commitment to nurturing and providing them with a quality Catholic education . It indicates the value you place in having your child know and love their Lord, Jesus Christ, developing life-long Gospel values, to be a person of faith and assist in building the Kingdom of God here on earth. We remind you that in making our commitment to provide your children with a Catholic education at St. Lawrence School, you are committing not only to a financial obligation but to also to modeling for your children all that it means to be a Catholic. That includes faithful weekly Mass attendance and active participation in parish events and activities. Our faculty and staff are dedicated to embracing the spirit, inspiring the mind, and celebrating the MOST in each child at St. Lawrence Catholic School.

Peace in Christ,
