This page features the curricula utilized across the grade levels. Please feel free to peruse the links to view the topics and the scope and sequence of our resources.

Student Canvas accounts serve as an excellent starting point for parents hoping to see exactly what is happening in the classrooms. If you do not have a parent “observer” account for Canvas, please message Tsai in our technology department ([dev@stlawrence.org](mailto:dev@stlawrence.org)) to receive login credentials and the Canvas Observer Guides.
